BESKRIVNING

Lawrences Auctioneers present A Large Private Collection of Trains, a single-owner sale of more than 130 lots of boxed 00 gauge model railway. The collection covers steam, diesel and electric locomotives by Hornby, Bachmann, Heljan, Dapol, Accurascale, Kernow, Rapido, Hattons and Wrenn, alongside rolling stock, layout buildings and accessories.

Highlights include the Hornby limited edition Sir Winston Churchill's Funeral train set, the National Railway Museum Flying Scotsman with support coach, and the 15 Guinea Special train pack headed by Oliver Cromwell. Diesel enthusiasts will find an Accurascale Class 55 Deltic D9008, the Heljan English Electric DP2 prototype, the Rails limited edition gas turbine 18000, and Kernow's Bulleid Co-Co diesels 10201 and 10202 alongside Warship D601 Ark Royal. Also offered are a Heljan Beyer Garratt, a Bachmann Ransomes & Rapier steam breakdown crane and a Heljan turntable.

The rolling stock includes large lots of boxed Bachmann and Hornby coaches and wagons, from Hawksworth and Collett coaches to china clay wagons and Royal Mail vans. There are also Bachmann Scenecraft engine sheds and Hornby Skaledale buildings for the layout, 1:76 diecast by Oxford and Classix, and a handful of Corgi and Dinky cars. Welcome to the auction!
